Issue 3  
November 2023

As we move into November, I'd like to remind parents of ways that you can make a positive impact on your child's education: Talk to and work with your child's teacher, Read, Practice writing at home, Make math part of everyday life, Ask your child to explain his thinking, Support our schoolwide commitment to a standards-based environment, and acknowledge a "good job" when you see it.

Also... have you thanked a "PTO Parent" today? It is because of these Moms & Dads and their dedication to Longfellow that we have wonderful events for our students! Longfellow's Fall Fest was a big hit this year, and I am so proud of the work *they* do!

## PTO Update-

PTO Meeting November 1<sup>st</sup> at 6:30 pm in the library.

We have a fundraiser night at Get Air on November 20<sup>th</sup> from 4 PM until 8 PM. You will need to let them know that you are there for Longfellow to help us get the credit when you pay.

Fall Fest was a big success this year. We couldn't have done it without all the wonderful volunteers. If anyone took pictures that day and would like to share them please send them to the PTO email.

We would like to thank the following companies that donated items for the Fall Fest: Kroger, Black Diamond, Cinemark at Franklin Park, Fallen Timbers, Levis Commons and Target.

We do have some events coming up that we will need volunteers to help with. On November 13<sup>th</sup> we have the Turkey Trot and December 14<sup>th</sup> and 15<sup>th</sup> we have the Holiday Bazaar. We will have more information coming soon on both of these events.

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference. In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

**HERE'S HOW IT WORKS:** Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

**See a list of participating products at**  
**[BTFE.COM/PRODUCTS](https://www.btfefor.com/products)**

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
